

# MASTER LIST OF PERIODICALS

This list comprises the titles and acronyms of the journals and series that are of primary interest to scholars in language, literature, linguistics, and folklore. For complete information on these periodicals see the *MLA Directory of Periodicals*.

\* indicates that the periodical is indexed in the present bibliography. Entries on the list that are not preceded by \* are not indexed because of various circumstances, including: the periodical published no issue for the current year; the periodical was not available to indexers; the subject matter was outside the scope of the bibliography.

The following is a list of national leaders (heads of state and/or heads of government) commonly regarded as modern dictators. This usage usually carries a pejorative sense and refers to a ruler who: Rules by decree, via an Enabling Act or similar laws passed by a legislature allowing him to do so; is an absolute ruler of a sovereign state, usually appointed, but without hereditary ascension; governs outside the otherwise accepted rule of law
