Herb Gardening Report

028	<p>Title: Landscaping With Herbs Author: Wilson, James W. Description: Landscaping with Herbs, the third and most popular of Jim Wilson's acclaimed landscaping books, shows readers how to use these appealing plants as part of the ornamental garden. With gorgeous photographs and clear, no-nonsense text, separate chapters show how to use herbs in perennial borders, scented gardens, and silver and gray gardens, on walls and in pavements, as hedges and edgings, in containers, and in traditional kitchen gardens. Once again Wilson combines inspiration with clear and specific instructions and recommendations. For seven years he and his wife operated a small commercial herb nursery, and his expertise shows on every page of this beautifully illustrated book.</p>
032	<p>Title: Traditional Home Book Of Herbs Author: Janulewicz, Mike Description: This book tells you all you need to know about the successful planting, raising, harvesting, and use of herbs. It puts herbs in their historical context, shows how they can be displayed to best effect, and describes in great detail the huge variety available. Nothing is left out - from creating an herb theme garden to fragrant herbs and potpourris; from garden types and design to propagation, feeding, and weeding. Over 100 full-color photographs enhance this useful guide.</p>
