Teachers can make whatever they are teaching more interesting to their students by using varied participation structures and activity types. By having students learn through a wide range of activities as a class, in groups or partnerships, or independently, teachers can keep students on their toes and the classroom energy high. Specific qualities of engaging teachers from the CCT Rubric are Flexibility and responsiveness both refer to a teacher's ability to make adjustments in real-time and come out on top. Even veteran teachers experience moments of panic when a lesson doesn't go as planned or a day is thrown off track but they know that adjusting, persisting, and reteaching are all part of the job. Prioritize these for the first several weeks of each school year for the best results. Successful Transition to Kindergarten: The Role of Teachers and Parents by Marina Benjak | studymode.com 1. - ready-for-kindergarten-the-role-of-early-childhood-education 2. Successful Transition to Kindergarten: The Role of Teachers & Parents By Pam Deyell- Gingold While new kindergartners are worrying about whether or not anyone will be their friend and if they'll be able to find the bathroom In recent years the role of kindergarten has changed from an extension of preschool to a much more academic environment because of new standards in the public schools that "push back" academic skills to earlier grades. How can we ensure that our students make a smooth transition? Are our students mature enough? What can we do to make them "more" ready? I ask only once a year: please help the Internet Archive today. Right now, we have a 2-to-1 Matching Gift Campaign, so you can triple your impact! Most can't afford to give, but we hope you can. The average donation is \$45. If everyone reading this chips in just \$5, we can end this fundraiser today. All we need is the price of a paperback book to sustain a non-profit website the whole world depends on. We have only 150 staff but run one of the world's top websites. We're dedicated to reader privacy so we never track you. We never accept ads. But we still need to pay for servers and staff. I kn
