THE COMEDY OF ERRORS

or,

Barack Hussein Obama's Inaugural Speech, January 21, 2013.¹

For Immediate Release

United States Capitol, 11:55 A.M. EST

INTRODUCTION

A week has passed since Barack Hussein Obama illegally took the oath of office to be the illegal president of the United States of America. The kowtowing enemedia have swooned over this act of subversive, intentional gall to the degree that they have become infantile, indeed, imbecilic. After this week-long interlude of sloppy praise of Barack Hussein Obama – evidently slop deserves slop – it is time to bring reality to the citizenry senses. Thus, an objective word-by-word examination and a sentence-by-sentence exposé of the content of the speech are more than appropriate.

The title of this essay is from William Shakespeare who wrote *The Comedy of Errors* sometime between 1589 and 1595. Little did William Shakespeare know that the title of the play describes exactly the content of Barack Hussein Obama's inaugural speech. In fact, it describes Barack Hussein Obama's political program. William Shakespeare deserves *un mot de remerciement* for this great insight.

The reader must understand that the meaning of comedy in Shakespeare's time was not the same as the meaning that comes to mind when one watches a comedy program on television. A comedy did not necessarily mean a play with laughable situations, jokes, and slapstick. It was used to describe a play that was not a tragedy. Thus a comedy could be a serious play, a drama, if you will, that contained some comical aspects. In *The Comedy of Errors* there are some comical situations that underscore the drama of personal situations in a political setting. The viewers

¹ <http://www.whitehouse.gov/the-press-office/2013/01/21/inaugural-address-president-barack-obama>

experience the same kind of challenges and outcomes in *The Comedy of Errors* that the American citizenry are experiencing under the government regime of Barack Hussein Obama. The symptomatic characteristics of *The Comedy of Errors* and Barack Hussein Obama's government regime are:

1. the helpless deliverance of citizens to a fateful despotism;
2. unfortunate circumstances that may be/have been intentionally created by the politically responsible;
3. the demand of the political system that the public accept improbable circumstances, even though the circumstances have been intentionally created and are in reality a farce;
4. the intentional distancing of the politically responsible from accepted traditions and conventions;
5. the demand that the public accept the decisions of the politically responsible without question;
6. the quiet acceptance by the public of political program even though, indeed, exactly because such programs are full of fraud and criminal action;
7. the dormant acceptance by the public of the irritability of the government regime's brute force;
8. the brainwashing of the public by a political conspiracy;
9. the acceptance of a surprise political coup based on government regime maliciousness;
10. the total acceptance by the public without their knowing it of the discrepancy between illusion and reality.

Throughout this essay the reader will encounter Barack Hussein Obama's use of the Islamic methods of lying to deceive naïve people. They are:

- taqiyya: The Islamic doctrine that allows lying in certain circumstances for the achievement of the goal.
- kitman: The Islamic doctrine that allows lying by not telling the truth so that the goal can be achieved.
- tawriya: The Islamic doctrine that allows lying in all circumstance.

Being a Muslim,² Barack Hussein Obama uses these methods daily to brainwash the unknowledgeable public. Sometimes he mixes them in such a way that they are not singularly discernible. The Barack Hussein Obama LIES are numbered. Another term that the reader will encounter is POLDS. This is the acronym for **P**rogressives, **O**bots, **L**iberals, **D**umbed-downer(s), **S**heep.

This essay is a commentary, judgment, and proofing of Barack Hussein Obama's inaugural speech. Many of the comments are documented with sources given as footnotes. The reader must also understand Barack Hussein Obama's use of *we* in the speech. The possessive plural pronoun *we* 71 is used times. When Barack

² http://www.conservapedia.com/Obama%27s_Religion

Hussein Obama says *we*, almost 100 percent of the time, Barack Hussein Obama means *his government regime* working together, *his government regime's* forceful taking of the responsibility for the citizens, not the citizens being responsible in their independence for themselves or for each other. Barack Hussein Obama's *we* is opposed to the citizen's common duties. Barack Hussein Obama's *we* is opposed to the concepts of a civil society. Barack Hussein Obama's *we* is the opposite of any free association of citizen individuals. Barack Hussein Obama's *we* means *his government regime's control of the individual so that the individual will no longer be an individual*. As an additive, the pronoun *I*, meaning *Barack Hussein Obama*, is used seven times.

THE PROOFING

THE ~~PRESIDENT~~ USURPER:

1. Vice President Biden, Mr. Chief Justice, members of the United States Congress, distinguished guests, and fellow citizens:

TRUTHFUL COMMENT: This is LIE # 1: Joe Biden is not the Vice President. He is the **illegal** Vice President. Because Barack Hussein Obama does not meet the natural born citizen qualifications in Article 2; Section I, Clause 5 of the *Constitution for the United States of America*,³ he has usurped the office of the Presidency of the United States of America. Being illegal, his choice of his vice president is also illegal. There is no logic and no law that can make Barack Hussein Obama's choice legal. The Chief Justice is John Roberts, who in his decision stating that ObamaCare is constitutional was nothing more than his saying *I'll fall over whenever Barack Hussein Obama says I must fall over. I will jump as high and in the direction that Barack Hussein Obama wishes*. The members of the United States Congress that Barack Hussein Obama addresses are the Democrats and the RINOs (Republicans In Name Only), like John Boehner. The fellow citizens are the POLDS – the **P**rogressives, **O**bots, **L**iberals, **D**umbed-Downers, and the **S**heep.

This is LIE # 2: Barack Hussein Obama cannot address the audience as his *fellow citizens* because he has never proved that he is a citizen of the United States of America. He has always forged his important documents, including his birth certificate, whether the long form or the short form birth certificate.⁴

³ <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/theconstitutionfortheunitedstatesofamerica.pdf>

⁴ <http://www.theobamafile.com/> Enter as search topics birth certificate forgers or forgery.

2. Each time we gather to inaugurate a President we bear witness to the enduring strength of our Constitution.

TRUTHFUL COMMENT: *We*, the third person plural, includes I, the first person singular. Barack Hussein Obama is saying that Barack Hussein Obama is inaugurating a president. At the same time who are *we*? Does Barack Hussein Obama mean the Democratic Party? the POLDS? Perhaps. Yet, remember, Barack Hussein Obama's *we* means *his government regime* almost 100 percent of the time. Who inaugurates the President? The word *inaugurate* means *to install, to dedicate, or establish formally*. The formal establishing or installing is done by the Chief Justice of the United States Supreme Court who presides over the taking of the oath to uphold the *Constitution for the United States of America*. If Barack Hussein Obama means the people as *we*, then the logic is completely wrong. *We the People* would install only persons elected legally to the presidency. The Chief Justice who is appointed to the position is to represent and preside over and decide cases concerning the constitutionality of the law for ***We the People*** legally and justly. Just because Supreme Court Justices are nominated by the President, that does not mean they are answerable to the President. They are answerable to ***We the People***. Furthermore, regardless of where it is located in a sentence, it is always *We the People*, not *we the people*. The capitalization means that every government official is subordinate to ***We the People!***

This is LIE # 3: Barack Hussein Obama is part of the *we* and has never bore witness to the enduring strength of the *Constitution for the United States of America*. Indeed, Barack Hussein Obama has broken its law time-after-time. He has committed at least 24 constitutional felonies. In fact, he is an unconvicted felon.⁵

3. We affirm the promise of our democracy.

TRUTHFUL COMMENT: Remember, Barack Hussein Obama's *we* means *his government regime*. The statement is hypocritical and LIE # 4 because the United States of America is a Republic, not a democracy. Barack Hussein Obama's government regime throughout the past four years has only affirmed Barack Hussein Obama. The word *democracy* is never mentioned in the *Declaration of Independence* or the *Constitution for the United States of America*. It is not written in any constitution of the fifty states. Even though some persons and legal books say that the United States is a Democratic Republic, it is not. It is at best a Federal Republic with only some democratic characteristics that are controlled by republican values and the control of the republic governmental system. Democracy is and has

⁵ <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/americanpatriotvsunconvictedfelon.pdf>

always been rule by the mob. That is the reason the Founding Fathers called out a republic: to control the mob! The promise of any democracy is rule by the mob!⁶

4. We recall that what binds this nation together is not the colors of our skin or the tenets of our faith or the origins of our names.

TRUTHFUL COMMENT: Remember, Barack Hussein Obama's *we* means *his government regime*. This statement is LIE # 5 because *What binds this nation together* is not recalled on this Inauguration Day. If it is recalled, then it is recalled by American Patriots only. American Patriots recall and think about what binds the nation together more often than every four years. POLDS never think about it. They want to destroy America and have a big party on *their* Inauguration Day. There is a lack of closure because there is not a connection to the next sentence.

5. What makes us exceptional -- what makes us American -- is our allegiance to an idea articulated in a declaration made more than two centuries ago:

TRUTHFUL COMMENT: This is LIE # 6 because Barack Hussein Obama has denied the existence of American exceptionalism⁷ since he has been among the America's most wanted criminals in Washington, D. C. beginning in 2004.⁸ A good rhetorician would have written the sentence somewhat like this: *That which binds us together is American exceptionalism. That which makes us American is our allegiance, respect, and observance of the Declaration of Independence and the Constitution for the United States of America, our cherished documents establishing our republican institutions over two hundred years ago.* This is exceptional rhetoric!

6. "We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

⁸ <http://www.judicialwatch.org/press-room/press-releases/judicial-watch-announces-list-of-washingtons-ten-most-wanted-corrupt-politicians-for-2012/>. Judicial Watch has a list that goes back to Barack Hussein Obama's term as a Senator.

TRUTHFUL COMMENT: Truer words were never spoken by human beings. However, this is LIE # 7 because Barack Hussein Obama has never spoken these words with meaning. Barack Hussein Obama has exploited them and censored them at will.⁹ Barack Hussein Obama has never believed in the statement because Barack Hussein Obama believes that the rights of American citizens come from the government. The **We** in this quotation from the *Declaration of Independence* means **We the People** as written in the *Constitution for the United States of America*.

7. Today we continue a never-ending journey to bridge the meaning of those words with the realities of our time.

TRUTHFUL COMMENT:

This is LIE # 8. Remember, Barack Hussein Obama's *we* means *his government regime*. There is no reason and logic in bridging the meaning of the words to connect with the realities of the present age. The words are representative of the laws of nature and are, therefore, present and unchangeable in all ages. The use of the term *journey* is childish.

8. For history tells us that while these truths may be self-evident, they've never been self-executing; that while freedom is a gift from God, it must be secured by His people here on Earth.

TRUTHFUL COMMENT: This is LIE # 9. The insinuation is that the truths of equality, life, liberty, and the pursuit of happiness need to be executed. The fact that they come from the Creator means that the Creator has executed them. The "truths of equality, life, liberty, and the pursuit of happiness" are not self-executing and must not be self-executing. They are straight forward and present. They always have to be respected and observed. The term *self-executing* is a legal phrase. Freedom is not a gift from God. Saying that it is a gift is an insult to God and an insult to freedom. Freedom is an ordinance from God. Freedom is God's direction. The laws from God and Nature that are ever present do not need humans. Humans need the laws and can use their availability justly, morally, and ethically. The LIE # 10 is that freedoms must be secured. Freedoms must not be secured unless by use of the word *secured* Barack Hussein Obama means that freedoms will be enclosed as tightly as possible with boundaries dictated by the Barack Hussein Obama government regime –

⁹ <http://www.lifesitenews.com/news/obama-censors-the-declaration-of-independence>

http://article.wn.com/view/2012/11/15/A_New_Declaration_Of_Independence_Calls_For_Obama_Impeachment/

boundaries and limitations that will eventually choke the freedoms guaranteed by the *Constitution*. In this situation freedoms must be saved from the Barack Hussein Obama government regime. Freedoms need to be exercised constantly and in defiance of Barack Hussein Obama's government regime. The essence of a society's freedom is the moral and just limitation of the powers and intrusions of a government.

Barack Hussein Obama's use of "God" presents a problem. Being born to a Muslim father, Barack Hussein Obama will always be a Muslim. He does not pay allegiance to the Christian God or to the Jewish God Yahweh. He pays allegiance to Allah. Allah is not God. God is God, Yahweh is Yahweh, and Allah is Allah, or more exact Allah-Hubal, a moon-god in which Mohammed – if he ever lived – and his followers believed.¹⁰

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

9. The patriots of 1776 did not fight to replace the tyranny of a king with the privileges of a few or the rule of a mob.

TRUTHFUL COMMENT: The date is not correct and therefore, this is LIE # 11. Indeed, the whole sentence is LIE # 12 because Barack Hussein Obama leaves out the truth as to why the War of Independence was fought. The reader may call it pedantry, but this author was taught in a non-liberal education that those who revolted against Great Britain between April 1775 and September 1783 were Colonial Revolutionaries. Therefore, the *patriots of 1776* should be the *Colonial Revolutionaries* of 1775-1783. In 1788 the Colonial Revolutionaries received a *patria* from the Founding Fathers. Moreover, the Colonial Revolutionaries fought for proper and just representation. The Colonial Revolutionaries fought against a centralized government exploiting their lives.

10. They gave to us a republic, a government of, and by, and for the people, entrusting each generation to keep safe our founding creed.

¹⁰ Robert Spencer, *Did Mohammed Exist? An Inquiry Into Islam's Obscure Origins*, ISI Books, Wilmington, Delaware: 2012. Norbert G. Pressburg, *Good Bye Mohammed Wie der Islam wirklich entstand*, BoD Books, Norderstedt: 2009. Both books are excellent, although the second book is in German. The reader can also read any book by Bat Ye'or for the truth about Mohammed and Islam.

TRUTHFUL COMMENT: The Founding Fathers did not give "to us a republic, a government of, and by, and for the people, entrusting each generation to keep safe our founding creed." The quotation is not stated by any Founding Father as Barack Hussein Obama insinuates. The statement is from Abraham Lincoln in the *Gettysburg Address*, which does not include the word *democracy*. The phrase comes from *The Effect of Slavery on the American People*, a sermon/speech that Theodore Parker gave at the Music Hall in Boston, Massachusetts, July 4, 1858. Parker said, "Democracy is direct self-government over all the people, for all the people, by all the people."¹¹ Parker would have been most accurate had he said *Republican democracy* The Founding Fathers **invested** future Americans with the American republic and admonished us to keep the republic functioning. Investing in the future is not giving someone the future. Thus we encounter 3# 12.

11. And for more than two hundred years, we have.

TRUTHFUL COMMENT: This statement is LIE # 13 because the destruction of the Republic of the United States of America began with the coming of progressivism under Woodrow Wilson, continued under Franklin Delano Roosevelt, was stopped somewhat under President Dwight D. Eisenhower, continued until Ronald Reagan became president, whence it was stopped in its thrust, and has reached its zenith under Barack Hussein Obama. This use of *we* means Americans in general, even though the statement is a lie.

12. Through blood drawn by lash and blood drawn by sword, we learned that no union founded on the principles of liberty and equality could survive half-slave and half-free.

TRUTHFUL COMMENT: This use of *we* means Americans in general. Yet, remember, Barack Hussein Obama's real *we* means *his government regime*. It is Barack Hussein Obama's opinion and policy that a new pseudo-liberty of being dependent on the government is necessary. Therefore, Barack Hussein Obama will make everyone a slave to Barack Hussein Obama's government regime.

13. We made ourselves anew, and vowed to move forward together.

¹¹ <http://www.quotecounterquote.com/2010/11/government-of-people-by-people-for.html>

TRUTHFUL COMMENT: "(M)ade ourselves anew" is the change theme coupled with the socialist-communist theme "move forward together." Here is the change theme. This use of *we* means Barack Hussein Obama's government regime. Since the founding of the United States of America with the ratification of the *Constitution for the United States of America*, Americans have not made themselves anew. Therefore, Barack Hussein Obama's statement is LIE # 14. There is no need for Americans to make themselves anew, unless this means using the political power of We the People to control expansive government. The powers of the central government have made themselves anew and infringed upon individual state independence and the independence of the citizen. American citizens must be left alone so that they can conduct their lives morally and profitably in order to secure their own general welfare, not the welfare of the federal government, which is not welfare, but a system of control of the individual. This is the opposite of Barack Hussein Obama's implementation of statism. Remember, Barack Hussein Obama's true *we* means *his government regime*. The phrase "move forward together" means socialism, communism and the destruction of the independent individual. Juxtaposed to the ideals of the Founding Fathers will lead backwards and thus to LIE # 15.

14. Together, we determined that a modern economy requires railroads and highways to speed travel and commerce, schools and colleges to train our workers.

TRUTHFUL COMMENT: Remember, Barack Hussein Obama's *we* means *his government regime*, even in this sentence, although it is LIE # 16. Americans together never determined "that a modern economy requires railroads and highways to speed travel and commerce, schools and colleges to train our workers." The determination and responsibility was on the shoulders of individual entrepreneurs, a class that Barack Hussein Obama is slowly destroying. No government, let alone one based upon the determination of Americans together, built the first transcontinental railroad or other smaller railroads. The first highways were not built by big government, let alone one based upon the determination of Americans together. Schools were not built by big government, let alone one based upon the determination of Americans together. Colleges were not built by big government let alone one based upon the determination of Americans together. They were primarily private undertakings. Barack Hussein Obama does not know that individual entrepreneurs and risk-takers built such successes. A big government did not build them! Barack Hussein Obama does not know American history. Barack Hussein Obama only knows how to lie about American history. This is a typical socialist-communist, even fascist approach called revisionism!

15. Together, we discovered that a free market only thrives when there are rules to ensure competition and fair play.

TRUTHFUL COMMENT: This is a hypocritical statement and LIE # 17. People can earn a living, indeed, a profitable living, in a free market. A free market makes its own rules that govern competition and fair play. The only responsibility of government is to ensure that the rules are not broken. The government is not present to make the rules. Moreover, high taxes and excessive federal laws and regulations that restrict a free market will result in the free market being shackled and it will not thrive. This is the goal of Barack Hussein Obama.

16. Together, we resolved that a great nation must care for the vulnerable, and protect its people from life's worst hazards and misfortune.

TRUTHFUL COMMENT: This statement is LIE # 18. Remember, Barack Hussein Obama's *we* means *his government regime*. Up until the advent of America's first socialist presidents, Woodrow Wilson¹² and Franklin Delano Roosevelt,¹³ Americans were self-dependent. They cared for themselves. The Second Amendment legalized the right for them to protect themselves. The American people were risk-takers. Social Security was and is a positive development. Yet, the basic reason for Social Security – retirement payments that come out of a fund into which citizen workers paid while they worked – have been so expanded by other governments, Republican and Democrat controlled, and political party programs that the receivers of Social Security have become dependent on big government and the programs of political parties for their existence and therefore, have lost their individual independence and responsibility for themselves. Social Security under Barack Hussein Obama's government regime has become insolvent. In 2007 "Barack (Hussein) Obama voted against the amendment to create a reserve fund for social security" that would have guaranteed solvency.¹⁴

17. Through it all, we have never relinquished our skepticism of central authority, nor have we succumbed to the fiction that all society's ills can be cured through government alone.

¹² <http://www.heritage.org/initiatives/first-principles/primary-sources/woodrow-wilson-on-socialism-and-democracy>

¹³ <http://www.brianzins.com/2011/10/12/fdr-and-socialism/>

¹⁴ http://www.thepoliticalguide.com/Profiles/President/US/Barack_Obama/Views/Social_Security/

TRUTHFUL COMMENT: This use of *we* is the projection of Americans in general. Since the beginning of the 20th century and the rise of communism in Russia, the Democratic Party has relinquished this skepticism. Since this time the Democratic Party has always held high the fiction that society's ills can be cured by big government. This is LIE # 19. It is a fiction of communism, fascism, socialism, and obamaism. It is a fiction that is undermining the freedoms legalized in the *Constitution for the United States of America*.¹⁵

18. Our celebration of initiative and enterprise, our insistence on hard work and personal responsibility, these are constants in our character.

TRUTHFUL COMMENT: The use of *our*, the third-person possessive form of *we* is the projection of Americans in general. At the same time it is a hypocritical statement. The statement is true. Americans have always rewarded honest successes. However, this is LIE # 20 because Barack Hussein Obama's statement "You didn't build that." is his true viewpoint. What he says is the opposite of what he thinks and does.¹⁶ Big government did not build bridges, highways, schools, colleges, universities. Taxpayer monies and individual contributions really built and do build them. Under Barack Hussein Obama's government regime initiative, enterprise, hard work, and personal responsibility are no longer characteristic of Americans. These values have been replaced with the constants of dependence, hanging-around, and it's the government's responsibility.

19. But we have always understood that when times change, so must we; that fidelity to our founding principles requires new responses to new challenges; that preserving our individual freedoms ultimately requires collective action.

TRUTHFUL COMMENT: Barack Hussein Obama's *we* here is an allusion to *his government regime*. The statement is LIE # 21. Fidelity to America's founding principles requires maintaining fidelity to the founding principles. Fidelity to America's founding principles does not require new responses to new challenges because the new challenges can be and are often contra-America's founding principles. Therefore, keep to the founding principles and the new challenges will be solved. The use of the phrase "collective action" is the socialist-communist theme. American Patriots, not POLDS, know that socialism-communism destroys individualism and freedom.

¹⁵ <http://www.trevorloudon.com/2013/01/the-communist-takeover-of-america-45-declared-goals/>

¹⁶ <http://www.youtube.com/watch?v=YKjPI6no5ng>

20. For the American people can no more meet the demands of today's world by acting alone than American soldiers could have met the forces of fascism or communism with muskets and militias.

TRUTHFUL COMMENT: The content of the statement is crap! The comparison is illogical. The forces of fascism were encountered with extremely well-armed armies. At the same time, the underground, not-so-well-armed militias in France, Germany, and Italy were instrumental in aiding in the defeat of fascism in Germany and Italy. As for communism, Russia and China confiscated all of the private weapons and therefore, the possible underground had no means with which to fight against the communist oppressors. This is LIE # 22 because America can meet the demands of today's world in so far as they concern America by acting morally and justly and not necessarily in concert with anti-American countries.

21. No single person can train all the math and science teachers we'll need to equip our children for the future, or build the roads and networks and research labs that will bring new jobs and businesses to our shores.

TRUTHFUL COMMENT: This statement is misleading. In essence it is LIE # 23 because no single person in the history has ever said that a "single person can train all the math and science teachers we'll need to equip our children for the future, or build the roads and networks and research labs that will bring new jobs and businesses to our shores." Yet, it must be emphasized that entrepreneurship without government involvement and interference accomplish these goals.

22. Now, more than ever, we must do these things together, as one nation and one people.

TRUTHFUL COMMENT: This is the collective call to socialism-communism. Now, more than ever, the government must get out of people's and state's lives. Once this happens the nation of America will remain the nation. The people of America will remain the people. Therefore Barack Hussein Obama's statement is LIE # 24.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

23. This generation of Americans has been tested by crises that steeled our resolve and proved our resilience.

TRUTHFUL COMMENT: When has the present generation (1980-2012) been tested by crises and proved to be resilient? What were the crises? Perhaps Barack Hussein Obama is thinking of Code Pink, William Ayers, or Ronald Reagan? The biggest crisis other than 9/11 and Islamic/Muslim terrorists is the Barack Hussein Obama government regime.¹⁷

24. A decade of war is now ending.

TRUTHFUL COMMENT: This is LIE # 25. A decade of pre-emptive, defensive war is not ending. Al-Qaeda has not been defeated. The teachings of the Koran and Islam say that terrorism will not cease to exist until the world becomes Islamic. The openly stated goal of Islamic/Muslim terrorists and jihadists is the destruction and extermination of the United States of America. There are many logical arguments that Islam must be destroyed and exterminated.¹⁸

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

25. An economic recovery has begun.

TRUTHFUL COMMENT: This is LIE # 26. The truth is that economic recovery under the Barack Hussein Obama's government regime has never recovered.¹⁹

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches. Apparently the POLDS are just like Barack Hussein Obama. They do not understand economics either.

26. America's possibilities are limitless, for we possess all the qualities that this world without boundaries demands: youth and drive; diversity and openness; an endless capacity for risk and a gift for reinvention.

TRUTHFUL COMMENT: Yet, every single one of these qualities are being hampered in their development by the Barack Hussein Obama government regime. There should be no reinvention. Reinvention is something that Muslims do. They reinvent things and then call the reinventions their own inventions and claim they are the result of the genius of Muslim/Islamic heritage.²⁰ People do not have a gift for reinvention. Reinventing something and claiming it is their invention is a criminal act. People have a genius for inventing.

27. My fellow Americans, we are made for this moment, and we will seize it -- so long as we seize it together.

TRUTHFUL COMMENT: The statement is LIE # 27. Barack Hussein Obama cannot say "fellow Americans" when Barack Hussein Obama cannot prove and will not prove that Barack Hussein Obama is an American citizen.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

28. For we, the people, understand that our country cannot succeed when a shrinking few do very well and a growing many barely make it.

²⁰ The following are the first three parts of a continuing series at *The Obama Timeline*.

<http://www.colony14.net/sitebuildercontent/sitebuilderfiles/nationalgeographicsociety1001inventionspartthree.pdf>

TRUTHFUL COMMENT: The use of *we, the people* here is Barack Hussein Obama's *we the government regime*, Barack Hussein Obama's people. Otherwise it would be written *We the People!* The statistics show that the so-called shrinking few who do so well have always paid enough taxes and charity to those who are in need and barely make it.²¹ Barack Hussein Obama's statement is LIE # 28.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and North Korea's Il's presence and speeches.

29. We believe that America's prosperity must rest upon the broad shoulders of a rising middle class.

TRUTHFUL COMMENT: This statement is LIE # 29. The rising middle class has become the dwindling middle class under Barack Hussein Obama.²²

30. We know that America thrives when every person can find independence and pride in their work; when the wages of honest labor liberate families from the brink of hardship.

TRUTHFUL COMMENT: The statement is hypocritical. The statement is LIE # 30. Yet, Barack Hussein Obama wants to say that under Barack Hussein Obama's government regime America thrives when every person can find support from the government regime, that every person does not have to take pride in their work because the government regime will see to it that they receive a dole, and that therefore honest wages are of no relevance because the government regime will support all families who are in hardship. At that stage of Obama's government regime economic policies will result in the parasites outnumbering the producers.²³

American; she is free, and she is equal, not just in the eyes of God but also in our own.

TRUTHFUL COMMENT: The use of *our* here means Barack Hussein Obama's thugs and minions, and the government regime. The truth is that the little girl who grows up has always known that she has the same opportunity to succeed as anybody else without government interference. Of course, richer people can and do fare better. They do not have to worry about the price of an education. There have always been programs for those who are not economically viable for an education to receive an education. Some people have to put their nose to the grindstone more than other people. There is nothing wrong in having to do this. Yet, Barack Hussein Obama would never understand the situation because Barack Hussein Obama never put his nose to the grindstone. However, when the government levels the playing field, freedom and equality disappear. Less government is what makes one free and equal. The application of the constitutional laws make one free and equal. The statement is LIE # 31 because Barack Hussein Obama's goal is an insult to human pride.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

32. We understand that outworn programs are inadequate to the needs of our time.

TRUTHFUL COMMENT: The statement is common sense. Outworn programs are always inadequate. Yet, Barack Hussein Obama does not want to realize that the majority of federal and state government programs that have not worked in America are Democratic Party programs and still the Democrats want to invest more money.²⁴

33. So we must harness new ideas and technology to remake our government, revamp our tax code, reform our schools, and empower our citizens with the skills they need to work harder, learn more, reach higher.

TRUTHFUL COMMENT: *Remake* is the change theme. The statement is LIE # 32 because Barack Hussein Obama's socialist-communist program will do just the opposite.

34. But while the means will change, our purpose endures: a nation that rewards the effort and determination of every single American.

TRUTHFUL COMMENT: Change is again the theme. The statement is LIE # 33 because the "nation (government regime) does not reward the effort and determination of every single American." The entrepreneurial, capitalist system rewards them.

35. That is what this moment requires.

TRUTHFUL COMMENT: This statement is LIE # 34. This moment in American history requires good, sound capitalism and its charitable aspects.

36. That is what will give real meaning to our creed.

TRUTHFUL COMMENT: This statement is LIE # 35. The sentence is not logical. The real meaning is in the creed of America itself. The observance and respect of American beliefs as they were expounded by the Founding Fathers is what is necessary. A creed has a stated meaning and if another meaning is given to it, that original creed no longer exists. Thus, Barack Hussein Obama is exposing his plan to remake America in his vision, which is really a nightmare!

37. We, the people, still believe that every citizen deserves a basic measure of security and dignity.

TRUTHFUL COMMENT: It is *We the People*, stupid! The use of *we* here means his governing regime. Barack Hussein Obama is saying that only he can give American citizens a "basic measure of security and dignity." However, the statement is an implied falsity and LIE # 36 because the most perfect measure of security and personal dignity comes when the individual is able to provide it her/himself.

38. We must make the hard choices to reduce the cost of health care and the size of our deficit.

TRUTHFUL COMMENT: Well, POLDS, you wanted it, you will have to pay for it. Yet, what does Barack Hussein Obama's statement really mean? The suspicion is that the ObamaCare thugs will attempt to extinguish the existence of the health care providers. The ObamaCare thugs will regulate doctors until they are strangled economically. Eventually medical services will be rationed. The Barack Hussein Obama statement is LIE # 37.

39. But we reject the belief that America must choose between caring for the generation that built this country and investing in the generation that will build its future.

TRUTHFUL COMMENT: The statement is LIE # 38 because no one has suggested this choice except Barack Hussein Obama and his thugs.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

40. For we remember the lessons of our past, when twilight years were spent in poverty and parents of a child with a disability had nowhere to turn.

TRUTHFUL COMMENT: The *we* is Barack Hussein Obama's government regime. This is LIE # 39 because it is a false statement meant to sooth the public. Barack Hussein Obama remembers no past of poverty. Barack Hussein Obama's past was wealthy. Parents of children with a disability always had a place to turn. That is the intent and goal of church charities and foundations. ObamaCare has taken these opportunities away.²⁵

41. We do not believe that in this country freedom is reserved for the lucky, or happiness for the few.

TRUTHFUL COMMENT: The *we* means Barack Hussein Obama's government regime. The statement is illogical. It is also sly LIE # 40 because Barack Hussein

<http://blog.heritage.org/2012/03/07/the-10-terrible-provisions-of-obamacare-you-may-not-have-heard-of/>

Obama is stating a situation that does not exist. Barack Hussein Obama maintains "that in this country freedom is reserved for the lucky, or happiness for the few" and that Barack Hussein Obama's government regime does not believe in this situation. In reality it is a non-existing situation because freedom is not reserved for the lucky, or happiness for the few and this has been the case since the War of Independence and the ratification of the *Constitution for the United States of America*. Freedom is a right of every American citizen that is guaranteed by the *Constitution*.

42. We recognize that no matter how responsibly we live our lives, any one of us at any time may face a job loss, or a sudden illness, or a home swept away in a terrible storm.

TRUTHFUL COMMENT: This is a platitude that is common sense.

43. The commitments we make to each other through Medicare and Medicaid and Social Security, these things do not sap our initiative, they strengthen us.

TRUTHFUL COMMENT: The use of *we* in this situation means the American citizenry and Barack Hussein Obama's government regime. If this is the case, then why does ObamaCare destroy Medicare, Medicaid, and Social Security.²⁶ Evidently, this Barack Hussein Obama statement is LIE # 41.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

44. They do not make us a nation of takers; they free us to take the risks that make this country great.

time, and without knowing it, Barack Hussein Obama is saying that the takers should take away from the riskers who make America great. Medicaid and Medicare and Social Security do not free Americans so that they can become riskers in the American economy. Medicaid, Medicare, and Social Security were/are programs to provide for illnesses and retirement incomes. They were not programs to be exploited by the Democratic Party or any political party.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

45. We, the people, still believe that our obligations as Americans are not just to ourselves, but to all posterity.

TRUTHFUL COMMENT: It is *We the People!* The statement is LIE # 43. The obligations of Americans are to uphold the letter of the law of the *Constitution* and be responsible citizens exercising their civil and moral duties for themselves. If that is a contribution to posterity, then all the better. However, *all posterity* is too general a term. Americans exercise their responsibilities and duties and observe the letter of the law for American posterity, not for the posterity of any other country. The exact situation is that every country's citizens exercise their rights, duties, observance for the posterity of that respective country. The citizens of country X certainly do not do it for the posterity of America.

46. We will respond to the threat of climate change, knowing that the failure to do so would betray our children and future generations.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. There is no threat of climate change.²⁸ This statement is LIE # 44 because it is an attempt by Barack Hussein Obama to create and continue a crisis where there is none. Scientists at the University of Innsbruck, Austria have located dead trees in melting alpine glaciers that were in their full growth during the Roman Empire approximately 1800 years ago. This means that trees at that time

grew above the alpine tree line in weather conditions that were much warmer than are the Alpine weather conditions today.²⁹

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

47. Some may still deny the overwhelming judgment of science, but none can avoid the devastating impact of raging fires and crippling drought and more powerful storms.

TRUTHFUL COMMENT: This is a platitude that is common sense. However, climate change is not the real instigator. Barack Hussein Obama is insinuating a cause-effect relationship that is non-existent. Therefore this Barack Hussein Obama statement is LIE # 45. The real instigators are the false climate change prophets who keep their false statistics in the public view and do exactly what Barack Hussein Obama is doing in this statement: not being objective and listening to the truths of the real scientists. Furthermore, the American military is capable of inducing climatic catastrophes.³⁰

47. The path towards sustainable energy sources will be long and sometimes difficult.

TRUTHFUL COMMENT: This statement is LIE # 46. Barack Hussein Obama has done nothing to shorten the path. Barack Hussein Obama refuses to realize that continued use of natural energy resources must accompany sustainable energy resources. In essence Barack Hussein Obama has no intelligence concerning the matter. Barack Hussein Obama has blocked the use and exploration of natural energy resources in order to gain the environmentalists' vote. Indeed, the majority of environmental protectionists are clueless to the fact that energy for America means the complementary use of natural energy resources and sustainable energy resources.

48. But America cannot resist this transition, we must lead it.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. The fact is that Barack Hussein Obama is resisting the mutually-related transition. See Number 47. Therefore this statement is LIE # 47.

49. We cannot cede to other nations the technology that will power new jobs and new industries, we must claim its promise.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. The statement is illogical. The statement is LIE # 48. The United States of America is not ceding technological advances "that will power new jobs and industries" to other nations. The Barack Hussein Obama government regime is doing this.³¹ The Barack Hussein Obama government regime wants to claim the promise of new technology. The control of new technologies via copyright must not be given away. The control must be productive for America not for the Barack Hussein Obama government regime.

50. That's how we will maintain our economic vitality and our national treasure -- our forests and waterways, our crop lands and snow-capped peaks.

TRUTHFUL COMMENT: The statement is LIE # 49. The use of *we* means the Barack Hussein Obama government regime. The statement is intended to bulldoze and brainwash the citizenry conscience. It is illogical because claiming the promise of new technologies will not assure economic vitality. The free market economic system with as little government interference as possible will insure economic vitality. America's national treasures are the guarantees of the *Constitution*. Forests, waterways, crop lands, snow-capped peaks are not national treasures but simply natural, environmental creations that the citizenry admire and respect. America's national treasures are the *Declaration of Independence*, the *Constitution for the United States of America*, the *Gettysburg Address*, etc.

51. That is how we will preserve our planet, commanded to our care by God.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. By saying "God", Barack Hussein Obama means Allah. Allah is not the Christian God or the Hebrew Yahweh. The phrase "we will preserve our planet" is the call for a world order, a world socialism-communism. The statement is illogical. Just because America might/would/could claim the promise of technologies and not cede them to other nations does not mean that America alone can save the planet earth from environmental mishaps or catastrophes. Indeed, by selling the rights to new technologies that would not destroy the environment, and thus make the new technologies available to other nations would possibly enhance the situation that the planet earth would not become environmentally endangered. Therefore the logic of the statement is false and the conclusion is thus LIE # 50.

52. That's what will lend meaning to the creed our fathers once declared.

TRUTHFUL COMMENT: This is LIE # 51 because the creed of the Founding Fathers had never veritably been torn before the arrival and usurpation of power by Barack Hussein Obama and his thugs. The Founding Fathers' creed is now being torn asunder.³²

53. We, the people, still believe that enduring security and lasting peace do not require perpetual war.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

54. Our brave men and women in uniform, tempered by the flames of battle, are unmatched in skill and courage.

TRUTHFUL COMMENT: This must be the reason why Barack Hussein Obama issued his rules of engagement of the enemy, giving the enemy the advantage.³⁴ Evidently, he wants American men and women to be more than matched.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

55. Our citizens, seared by the memory of those we have lost, know too well the price that is paid for liberty.

TRUTHFUL COMMENT: If this is the case, why is Barack Hussein Obama always inviting Islamists and Muslims to the White House?³⁶ Evidently this Barack Hussein Obama statement is LIE # 54.

57. But we are also heirs to those who won the peace and not just the war; who turned sworn enemies into the surest of friends -- and we must carry those lessons into this time as well.

TRUTHFUL COMMENT: The use of *we* means the Obama government regime. The statement is unclear. It is more than vague. Who is meant and when is/was when? Who are the heirs ... who won the peace and not just the war"? "(W)ho turned sworn enemies into the surest of friends"? Does "we must carry those lessons into this time as well" mean that the Taliban and the Islamic and Muslim terrorists will become America's surest friends? Does Barack Hussein Obama intend to make Islam an American national religion like Islamic organizations want?

58. We will defend our people and uphold our values through strength of arms and rule of law.

TRUTHFUL COMMENT: The statement is LIE # 55. How can an unconvicted felon do these things? The answer is easy, by continuing to undermine the law and provide America's enemies with "strength of arms"!³⁷

59. We will show the courage to try and resolve our differences with other nations peacefully – not because we are naïve about the dangers we face, but because engagement can more durably lift suspicion and fear.

TRUTHFUL COMMENT: This is LIE # 56 because political resolve will lift suspicion and fear. Barack Hussein Obama's total foreign policy proves that Barack Hussein Obama is totally naïve.

60. America will remain the anchor of strong alliances in every corner of the globe.

TRUTHFUL COMMENT: This is LIE # 57 because it is contrary to Barack Hussein Obama's statement to Russian President Medvedev: "After my election I have more flexibility."³⁸ The statement indicates that Barack Hussein Obama might/would/could/will do what Russia wants.

61. And we will renew those institutions that extend our capacity to manage crisis abroad, for no one has a greater stake in a peaceful world than its most powerful nation.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. The statement is LIE # 58 because under the first four years of Barack Hussein Obama's government regime, China and Russia (together) have become the most powerful nations in the world and Al-Qaeda the most powerful violent movement.³⁹

62. We will support democracy from Asia to Africa, from the Americas to the Middle East, because our interests and our conscience compel us to act on behalf of those who long for freedom.

TRUTHFUL COMMENT: The use of *we* means the Obama government regime. Democracy is mob rule. That is what is presently happening in Libya, Egypt, Syria, Mali, Nigeria, Sudan. The Islamic/Muslim mob is ruling. Barack Hussein Obama does not have a conscience and not knowing what freedom means to the victims in these countries. Yet, how can Barack Hussein Obama have a conscience since he is not a moral person and has destroyed freedom in the United States of America?⁴⁰

What Barack Hussein Obama says is the opposite of what Barack Hussein Obama does. Therefore, the statement is LIE # 59.

63. And we must be a source of hope to the poor, the sick, the marginalized, the victims of prejudice – not out of mere charity, but because peace in our time requires the constant advance of those principles that our common creed describes: tolerance and opportunity, human dignity and justice.

TRUTHFUL COMMENT: Are these the reasons why Barack Hussein Obama has not taken any stance against the terrorists in Libya, against the terrorists in Syria (even though President Assad is absolutely dictatorial), against the terrorists in Mali, against the killers of Christians in Nigeria and the Copts in Egypt? In other words Barack Hussein Obama's stance is *I will not do as I say but will do or not do what I want or not want to do*. Thus the statement is LIE # 60.

64. We, the people, declare today that the most evident of truths – that all of us are created equal – is the star that guides us still; just as it guided our forebears through Seneca Falls, and Selma, and Stonewall; just as it guided all those men and women, sung and unsung, who left footprints along this great Mall, to hear a preacher say that we cannot walk alone; to hear a King proclaim that our individual freedom is inextricably bound to the freedom of every soul on Earth.

TRUTHFUL COMMENT: It is *We the People!* *We the People* do not have to declare today that "all of us are created equal." This declaration is almost 240 years old. Perhaps the use of *us* means the POLDS. Furthermore, Martin Luther King, Jr. was not a king. Martin Luther King, Jr. would never have made such a statement and would never have presented himself as being a king. Barack Hussein Obama must be referring to Barack Hussein Obama. It is interesting to note that Barack Hussein Obama has lied so often in this speech – as in all of Barack Hussein Obama's speeches – and Barack Hussein Obama is speaking about the truth. This is another epitome of Barack Hussein Obama lying and thus we encounter LIE # 61

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

65. It is now our generation's task to carry on what those pioneers began.

TRUTHFUL COMMENT: The people connected with Seneca Falls, and Selma, and Stonewall are pioneers? In order for the POLDS to understand this, the places must be explained, for Americans have been so dumbed-down by liberal teachings that the majority do not know what is meant. The Seneca Falls Convention was the beginning of women's civil rights and the suffrage movement in the United States of America and the Western World. It met on July 19-20, 1848 in Seneca Falls, New York. It was organized by a Quaker, Lucretia Mott. Selma, Alabama is the home of the 1965 Selma Voting Rights Movement and the Selma to Montgomery marches, which were three civil rights marches that began in the city. African Americans were demonstrating for their civil rights that had been taken away from them by the Democratic Party⁴¹ throughout the approximately 100 years previously. In essence Barack Hussein is lying by excluding the truth. What began at those places has been accomplished. Barack Hussein Obama is creating crises that do not exist. Consequently, the statement is LIE # 62.

66. For our journey is not complete until our wives, our mothers and daughters can earn a living equal to their efforts.

TRUTHFUL COMMENT: The use of *our* means Barack Hussein Obama's government regime. The use of the word *journey* is childish. In a philosophical framework, which Barack Hussein Obama's speech is not, it is a transcendental idea. This Barack Hussein Obama statement is LIE # 63 and hypocritical. Wives, mothers, and daughters do not earn a living equal to their efforts. They, like males, earn a living equal to their qualifications. If they have the proper qualifications and implement the efforts, they will earn a living. Only in a socialist, communist system is there disregard of efforts because individualism and responsibility have been taken away by the governing system. Moreover, over 40 years ago a law was passed which prohibited paying working females less for doing the same work as working males. Evidently Barack Hussein Obama does not know the existing law:

"No employer having employees subject to any provisions of this section [section 206 of title 29 of the United States Code] shall discriminate, within any establishment in which such employees are employed, between employees on the basis of sex by paying wages to employees in such establishment at a rate less than the rate at which he pays wages to employees of the opposite sex in such establishment for equal work on jobs[,] the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions, except where such payment is made pursuant to (i) a seniority system; (ii) a merit system; (iii) a system which measures earnings by quantity or quality of production; or (iv) a differential based on any other factor other than sex"⁴²

⁴¹ <http://stoprepublicans.blogspot.com/2006/05/history-of-republican-evil.html> The title is intended irony.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches. Evidently the POLDS do not know the law, either.

67. Our journey is not complete until our gay brothers and sisters are treated like anyone else under the law – (applause) [(sic) The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted at Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.] – for if we are truly created equal, then surely the love we commit to one another must be equal as well.

TRUTHFUL COMMENT: The use of *our* means Barack Hussein Obama's government regime. The use of the word *journey* is childish. At the same time, if Americans are truly created equal, then they should all be gay brothers and sisters. Barack Hussein Obama is usurping the meaning of "created equal" and the POLDS do not understand what Barack Hussein Obama is doing. Neither do they care. Being "created equal" means that all Americans are entitled to equal justice under the law. The love committed to one another does not have to be sanctioned by law. If that love is discriminated against, then the law can be used to make the situation non-discriminatory. Being gay is not a basic right derived from the state. It is a personal life style different from the historically accepted life styles of men and women. Some people call gay a mental, moral aberration. Some people are not against a person being gay. Yet, that does not mean that they must be for a person being gay. The responsibility of government is to remove legal barriers from having equality. This is not *de facto* equality, which relies for its existence upon people being non-prejudicial. The government cannot solve such *de facto* problems by passing laws. Yet, this is what Barack Hussein Obama wants to accomplish. Even a *de facto* prejudicial opinion is freedom of speech." *De facto* equality will be a reality when people cease to be prejudicial. This is not something Congress can fix by passing a law.⁴³

To claim that gays do not have equal justice under the law is LIE # 64. It is illogical to say that all love must be equal. Therefore this is LIE # 65.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

⁴³ Thomas A. Patterson, *The American Democracy — Alternate Edition*, Boston: McGraw Gill, 2003, pp. 10, 132, 153.

68. Our journey is not complete until no citizen is forced to wait for hours to exercise the right to vote.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

TRUTHFUL COMMENT: The use of *our* means Barack Hussein Obama's government regime. The use of the word *journey* is childish. The statement should be that citizens must not be allowed to vote multiple times with multiple identities and created identities in presidential elections; that citizens must legally identify themselves before they cast their ballot; that dead people cannot vote; that that voting machines must not be pre-programmed in favor of a candidate; or that illegal contributions to the election campaign must not be accepted. The criminal Barack Hussein Obama is telling the POLDS that they can become criminal and that neither Barack Hussein Obama nor they will be answerable before the law. This is an epitome of hypocrisy. By leaving out the truth Barack Hussein Obama is lying. The consequence is LIE # 66. Moreover, the POLDS do not understand why they are applauding.

69. Our journey is not complete until we find a better way to welcome the striving, hopeful immigrants who still see America as a land of opportunity – (applause) [(sic) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted at Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.] – until bright young students and engineers are enlisted in our workforce rather than expelled from our country.

TRUTHFUL COMMENT: The use of *our* means Barack Hussein Obama's government regime. The use of the word *journey* is childish. All that needs to be done is for the states and the federal government to enforce the immigrant laws that are already in existence. Indicating that something must be done is another falsity and therefore LIE # 67. Furthermore, how can "bright young students and engineers (even Americans) (be) enlisted in our workforce" when the Barack Hussein Obama economy is so bad that no employment is available?

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

70. Our journey is not complete until all our children, from the streets of Detroit to the hills of Appalachia, to the quiet lanes of Newtown, know that they are cared for and cherished and always safe from harm.

TRUTHFUL COMMENT: Hypocrisy. The use of *our* means Barack Hussein Obama's government regime. The use of the word *journey* is childish. Perhaps Democrats should take this to heart because the murders in these places are mostly committed by Democrats or Obama Democrat sympathizers.⁴⁴ Barack Hussein Obama omits the truth and this is Barack Hussein Obama's LIE # 68.

71. That is our generation's task -- to make these words, these rights, these values of life and liberty and the pursuit of happiness real for every American.

TRUTHFUL COMMENT: This is a platitude without meaning because "life and liberty and the pursuit of happiness" are values that are already in existence and real. All that the American citizens have to do is not to rely on government but on themselves within the law and they can achieve life, liberty, and the pursuit of happiness. Successful Americans speak out of experience. Barack Hussein Obama's statement is LIE # 69.

72. Being true to our founding documents does not require us to agree on every contour of life.

TRUTHFUL COMMENT: In this statement Barack Hussein Obama is saying that Americans have to be true to America's founding documents, but that Barack Hussein Obama does not have to be true to them because he is an illegal usurper of the Oval Office. He does not meet the qualifications of being a natural born citizen according to Article II, Section I, Clause 5 of the *Constitution*. Furthermore, no one says that Americans always have to agree on every contour of life. Barack Hussein Obama is creating a condition that is not-existent. Therefore, it is a falsity and is LIE # 70.

73. It does not mean we all define liberty in exactly the same way or follow the same precise path to happiness. Progress does not compel us to settle centuries-long debates about the role of government for all time, but it does require us to act in our time.

⁴⁴ <http://www.youtube.com/watch?v=FeTCkoXslsE&feature=youtu.be> Minute 12:00 to 13:50.

TRUTHFUL COMMENT: The statement is LIE # 71. The sentence is illogical. The liberties defined by the *Constitution* provide a path to happiness, although that path must not always be the same for everyone. No one has ever said that "Progress compels us to settle centuries-long debates about the role of government for all time." When Barack Hussein Obama states that "(p)rogress does not compel us to settle centuries-long debates about the role of government for all time, but it does require us to act in our time", Barack Hussein Obama means that it is time under Barack Hussein Obama's government regime to redefine and make legal a new role (Barack Hussein Obama's role) for government in Barack Hussein Obama's government regime and according to Barack Hussein Obama's wishes.

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

74. For now decisions are upon us and we cannot afford delay.

TRUTHFUL COMMENT: The use of *us* and *we* mean Barack Hussein Obama's government regime. There are now many decisions that are not necessary. The annulment of the First and Second Amendments and other Amendments to the *Constitution* are not necessary. With ObamaCare and measures to prohibit the owning of firearms, Barack Hussein Obama is creating crises that are not crises and were not necessary. The statement is LIE # 72 because the decisions are a result of created crises.

75. We cannot mistake absolutism for principle, or substitute spectacle for politics, or treat name-calling as reasoned debate.

TRUTHFUL COMMENT: The use of *we* means the Barack Hussein Obama government regime. Yet it is a forked tongue statement. There are three lies contained therein. LIE # 73 is the insinuation that people cannot believe what Barack Hussein Obama believes. Barack Hussein Obama's use of *absolutism* means believing anything that Barack Hussein Obama does not believe.⁴⁵ LIE # 74 is that one cannot substitute spectacle for politics because Barack Hussein Obama's political campaigns and speeches were and are all controlled spectacles. LIE # 75 is that Barack Hussein Obama and the government regime thugs have no reasoned debate because Barack Hussein Obama and the government regime thugs are the number one name callers in America.⁴⁶

⁴⁶ <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/thebully.pdf>

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

76. We must act, knowing that our work will be imperfect. We must act, knowing that today's victories will be only partial and that it will be up to those who stand here in four years and 40 years and 400 years hence to advance the timeless spirit once conferred to us in a spare Philadelphia hall (sic).

TRUTHFUL COMMENT: The statement is a false platitude and LIE # 76. The use of *we* means the Barack Hussein Obama government regime. Barack Hussein Obama wants to act as quickly as possible to make out of America the opposite of what was formed in Independence Hall in Philadelphia in 1776. If Barack Hussein Obama is allowed to do so, the United States of America as a beacon of light in a totalitarian world will not be recognized in four years. America is only half-recognized for what it once was now, after four previous years of Barack Hussein Obama's government regime.

77. My fellow Americans, the oath I have sworn before you today, like the one recited by others who serve in this Capitol, was an oath to God and country, not party or faction.

TRUTHFUL COMMENT: A Muslim taking an oath means absolutely nothing. The only oath a Muslim must obey is the oath to Islam. Moreover, an illegal candidate taking an oath of office does not make the oath legal. It makes the oath-taker a criminal, a felon. Therefore, Barack Hussein Obama's statement and oath-taking is LIE # 77.

78. And we must faithfully execute that pledge during the duration of our service.

TRUTHFUL COMMENT: The use of *we* and *our* means the Barack Hussein Obama government regime and its aftermath. Barack Hussein Obama's use of the word *service* is an insult to free America because Barack Hussein Obama does not serve America.⁴⁷ Therefore Barack Hussein Obama statement is LIE # 78.

⁴⁷ <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/barackhusseinobamaisfullofservice.pdf>

79. But the words I spoke today are not so different from the oath that is taken each time a soldier signs up for duty or an immigrant realizes her dream. My oath is not so different from the pledge we all make to the flag that waves above and that fills our hearts with pride.

TRUTHFUL COMMENT: This is LIE # 79 because not every soldier, legal immigrant, or pledge to the American flag is the same as the oath to uphold the *Constitution for the United States of America*.

80. They are the words of citizens and they represent our greatest hope.

TRUTHFUL COMMENT: This statement is LIE # 80. The presidential oath of office is the oath taken by a legally elected person who meets the constitutional qualifications to be President of the United States of America. When that person is not legally and constitutionally qualified, then the oath taking is a farce and an insult to all American Patriots past and present and future.

81. You and I, as citizens, have the power to set this country's course.

TRUTHFUL COMMENT: This is LIE # 81 because Barack Hussein Obama has never proved that Barack Hussein Obama is an American citizen. Therefore the whole statement is a farce, even though Barack Hussein Obama has usurped the power and depends on those who have also taken an oath to uphold the *Constitution*, but are not upholding their oath.

82. You and I, as citizens, have the obligation to shape the debates of our time -- not only with the votes we cast, but with the voices we lift in defense of our most ancient values and enduring ideals.

TRUTHFUL COMMENT: This is LIE # 82 because it repeats the lie above. Legal citizens have the responsibility and duty to defend America's values and ideas. The statement is forked tongue because Barack Hussein Obama has never defended America's values and enduring ideals. A prime example is the guarantee of life. Barack Hussein Obama's stance on abortion is completely opposite the value and ideal of life.⁴⁸ Barack Hussein Obama is saying that Barack Hussein Obama will do what Barack Hussein Obama wants or does not want to do.

⁴⁸ <http://www.christianpost.com/news/romney-vs-obama-abortion-views-compared-82900/>
http://www.thepoliticalguide.com/Profiles/President/US/Barack_Obama/Views/Abortion/

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

83. Let us, each of us, now embrace with solemn duty and awesome joy what is our lasting birthright.

TRUTHFUL COMMENT: The use of *us* evidently means Barack Hussein Obama and regime thugs and the POLDS at the ceremony. The statement is another epitome of the forked tongue. Barack Hussein Obama is never solemn (except when he is probably saying his Islamic prayers). Neither does he know what joy means with regard to America. As for birthright, Barack Hussein Obama cannot produce one. Therefore we encounter LIE # 83.

85. With common effort and common purpose, with passion and dedication, let us answer the call of history and carry into an uncertain future that precious light of freedom.

TRUTHFUL COMMENT: The use of *us* means Barack Hussein Obama, the government regime thugs, and the POLDS. The use of *common* means that in socialism-communism freedom will be achieved in an uncertain future. The statement is illogical crap. The future is always uncertain. Freedom in America has been in existence since 1788. Freedom in America has been taken away from Americans through ObamaCare, by Barack Hussein Obama's myriad violations of usurped presidential power, and by Barack Hussein Obama's numerous felons.

86. Thank you.

TRUTHFUL COMMENT: Barack Hussein Obama always thanks Barack Hussein Obama.⁴⁹ The idiocy of the statement is that those in the audience who listened did not understand what Barack Hussein Obama was blabbering.

87. God bless you, and may He forever bless these United States of America.

TRUTHFUL COMMENT: Hypocrisy! Barack Hussein Obama means Allah. The statement is an insult to true American Patriots. Albeit, Barack Hussein Obama has

⁴⁹ <http://www.colony14.net/sitebuildercontent/sitebuilderfiles/apsychogramofbarackhusseinobama.pdf>

always been insulting to America and American Patriots.⁵⁰ Therefore the statement is LIE # 84

(Applause.) TRUTHFUL COMMENT: The POLDS react according to the wishes of Barack Hussein Obama. Their reaction is reminiscent of how infantile and gaga the crowds reacted to Lenin's, Stalin's, Hitler's, Mao's and Il's presence and speeches.

CONCLUDING TRUTHFUL COMMENTS

1. Barack Hussein Obama's inaugural speech lasted 15 minutes ... 15 minutes of lying. If we exclude "Thank You" as a statement that can be criticized, although it is criticized, there are 84 lies in 86 statements, yielding a lie per sentence percentage of 97.6 percent. Thus Barack Hussein Obama's inaugural speech is 97.6 percent totally divorced from the truth. In this aspect the speech is like Barack Hussein Obama's political program solutions to created crises.
2. The audience applauded 25 times in 15 minutes to 84 lies. There is no better account of brainwashing of the public than this. The audience applauded Barack Hussein Obama for brainwashing them and thus applauded their own brainwashing. The brainwashing has always taken place in all of Barack Hussein Obama's speeches. Barack Hussein Obama knows that the audiences who hear the speeches are political idiots.
3. The audio volume of Barack Hussein Obama's voice during the speech read from teleprompters was loud, in some cases bordering on verbal shouting. This is oratory in the Adolf Hitler fashion: shout when you speak so that the brainwashing will be more effective. History has proven that those who shout are always in the wrong. History has also proved that shouted lies will be accepted as truths.
4. Barack Hussein Obama's lying will continue because the American citizenry in general, the enemedia in total, and the POLDS in particular, refuse to uncover the truths behind the lies. Once the truths are uncovered, they refuse to believe them.
5. Barack Hussein Obama knows that the American public is gullible.

⁵⁰ <http://www.thepiratescove.us/obamas-businsult-list/>
<http://michaeljmaxim.blogspot.de/2011/05/these-are-obamas-top-10-insults-against.html>

6. Barack Hussein Obama's inaugural speech is an insult to logic and truth.
7. Since Barack Hussein Obama has illegally occupied the Oval Office and has usurped the powers of the federal government; since Barack Hussein Obama has *de facto* suspended the *Constitution for the United States of America*, indeed, torn it asunder; since Barack Hussein Obama has broken electoral laws and regulations, there has been no American government. There has come into being Barack Hussein Obama's government regime only, rectally accoladed by the enemedias.
8. Generally speaking, the American citizens refuse to exercise their patriotism. The POLDS will not exercise any patriotism because they have none. The enemedias does not have this word in their vocabulary.
9. Barack Hussein Obama's goals are the death knell to the continued existence of the United States of America.
10. During William Shakespeare's time a comedy excluded tragedy. The Barack Hussein Obama comedy of errors is producing a tragedy: the demise of American republican government and the extinguishing of freedoms guaranteed by the *Constitution for the United States of America*. There will be no closing curtain on Barack Hussein Obama's comedy of errors until the United States of America no longer exists and liberty destroyed.
11. There is an important aspect that *The Comedy of Errors* and Barack Hussein Obama have in common. It is the aspect of unresolved identities. However, at the end of *The Comedy of Errors* William Shakespeare solves the problem of unresolved identities by having the characters tell the truth, which causes the audience and the characters to have positive attitudes towards the play. This situation is much different than the situation revolving around Barack Hussein Obama, his origins, and continuing fraud. The outcome of William Shakespeare's *The Comedy of Errors* is positive. Let us pray that the resolving of Barack Hussein Obama's identity is positive in that Barack Hussein Obama will eventually be prosecuted for treason, despite the energies of the enemedias to protect the usurper, actions that should result in the enemedias being tried for treason, as well, regardless of how many years it takes.

Barack Hussein Obama is evilly sick and sickly evil!
