# WELCOME TO Margaritaville!

**BUST OUT YOUR FLIP FLOPS AND  
ENJOY A FUN FILLED EVENING!**

For the Home and School Association, the spring fundraiser is our crucial event of the year. It is our best occasion to raise the money needed to fulfill our \$125,000.00 commitment to the school's operating budget. In addition, we hope to raise additional money to help purchase desired items for the school and children.

We are so fortunate to have co-chairs, Jeanine Wilson and Amy Meisner and cannot thank them and their committees adequately for the incredible work they have done. Jeanine and Amy started working last summer on the planning and coordination the spring fundraiser. They spent many weeks advertising, collecting gifts, donations, and raffle money. Many days and nights went into transforming the foyer and gym into Margaritaville. Every feature from the tropical sunset, Parrot Head Wine Pull, Tiki Bar, island style food (including " Cheeseburgers in Paradise") to the Jimmy Buffet tribute band Parrotbeach was not overlooked!

The HSA was very successful during the 2011-2012 school year. The fundraisers were very profitable thanks to your generosity. After paying \$125,000 toward the operating expenses of the school we were able to provide the following:

- \$15,000 toward Technology needs such as Ipads and lap tops for the middle school
- Student Response System (clickers) to be used in the 4th and 5th grades
- Indoor and Outdoor Gym Equipment
- Medical equipment for the nurse
- Walkie Talkies used by the Pre-school/Kindergarten classes when in the playground in case of emergency
- Covering the cost of the Summer Math Workbooks for Grades K-3
- Covering the cost of the Summer Study Island Program for Grades 4-8
- Provided Kindle covers used in the Library
- All Cultural Arts Events for the entire school
- In addition, we were able to provide Fr. George with another \$10,000 for the school.

Please take time to review this booklet for all the fantastic items being offered this year in the Pick-A-Prize, Silent Auction, VIP Parties and Experiences. Be sure to check out the Adirondack Chairs Class Crafts.

SVMS is blessed to have such a giving parent community. Thank you all for your time, talent and generosity!

Songs from St. Somewhere will be at St. Vincent's tonight.

## NOTES:

**NOTES:**

"Margaritaville" is a 1977 song by American popular music singer-songwriter Jimmy Buffett from the album *Changes in Latitudes, Changes in Attitudes*. This song was written about a drink Buffett discovered at Lung's Cocina del Sur restaurant on Anderson Lane in Austin, Texas, and the first huge surge of tourists who descended on Key West, Florida, around that time. He wrote most of the song one night at a friend's house in Austin, and finished it while spending time in Key West.
