Journal of Psychosocial Nursing and Mental Health Services | Coping with Chronic Illness: Overcoming Powerlessness, edited by Judith Fitzgerald Miller. Philadelphia, F.A. Davis Co. Softcover, 315 pages. The editor and eight other contributors have put together a wonderful, timely, most appropriate text which describes how nurses can help chronically ill patients to promote self-control through the development and support of patients' own power resources. The relevance for nursing is described in situations such as powerlessness, locus of control, helplessness, and reactance theory.
