The department established the Female Offender Management Work Group to evaluate policies, procedures and initiatives to address the needs of female offenders inside the institutions as well as those in community correctional settings, including parolees and probationers. The work group includes representatives from DPSCS and the agencies that work with the department to assess the needs of female offenders and deliver services to meet their needs. The mission of the permanent, 21-member work group is to:

- * Identify critical areas that affect female offenders;
- * Conduct research on best and pr Gendered Justice book. Read reviews from world's largest community for readers. Gendered patterns of paths to incarceration and the prison system's gende... Other editions. Gendered Justice: Women in the Criminal Justice System. Stephanie S. Covington & Barbara E. Bloom. in. Gendered Justice: Addressing Female Offenders. Barbara E. Bloom, Editor Carolina Academic Press, 2003. Introduction. Racial disparity is a factor in the arrests, pretrial treatment, and sentencing of female offenders. Women of color, especially African-Americans, are disproportionately incarcerated in the United States. In 1999, African-American women were nearly eight times more likely to be incarcerated than white women (Bureau of Justice Statistics, 2000a).
