Mark Panek's Big Happiness tells the true story of Hawaiian sumo wrestler Percy Kipapa and his tragic murder on May 16, 2005. On the surface, the investigative journalism narrative reads as a mystery, a meditation on what it means to be a modern Hawaiian, and a commentary on the ice epidemic and the tangled Yakuza-Hawaii webs of commerce, money, and prestige. It's compelling and raw. Knowing one of the key characters personally, I found it both hard to read and tough to put down. And that is, to me, the real triumph of the book: it ties every thread of society to the life and death of a single precious human being, and makes you feel that all of it matters. Final Grade: A.
