CHILD LABOUR A CASE STUDY Dr.SUDHIR PRAKASHRAO DINDE Asst.Prof. & Head Pub.Admn. Department Art,Science &Commerce College Badnapur. Dist- Jalna (M.S.) Pin- 431202 Cell-9922896766 / 9405786627 The purpose of this paper is to examine child labour problem in India. One type of child labour working in shop, hotel etc. maximum child labour working in hotel. The owners appointed child labours and the major cause is being wages, child labour found to be working on minimum wages than elder, 40% child labour found to be working because their family promoting to work and earn. 5% Children forced to work because of their friends and neighbours. Socio-economic status of child labour in Shimla city of Himachal pradesh, India. By Mool Verma. Child labour refers to the exploitation of children through any form of work that deprives children of their childhood, interferes with their ability to attend regular school, and is mentally, physically, socially or morally harmful. Such exploitation is prohibited by legislation worldwide, although these laws do not consider all work by children as child labour; exceptions include work by child artists, family duties, supervised training, and some forms of child work practiced by Amish children, as
