The Mahabharata is often regarded as one of the most popular titles in the history of Amar Chitra Katha. It is also the longest series (42 issue run on an alternative title schedule; from 329-441 [1985-89] in over more than 1300 pages) to have been produced by the ACK. The series was originally planned for 60 albums, but it was later cut short to 42.[3].Â Amar Chitra Katha had a strong commitment to the Mahabharata from the very beginning. Many of its titles were from based on particular events or characters from the Mahabharata. In March 1985, the new project began, "in response to a persistent demand from our readers for a comprehensive account of the epic." The ambitious series by Anant Pai was initially decided as a 60 volume project, with one issue in every fortnight. The Mahabharata is packed with stories of passion, politics, war, love, loyalty, hatred. Its episodes, which include the Bhagavad Gita, also explore ethics and ultimate meaning.
