Ireland's long history is riddled with ancient mythology and folklore. John English Wilderness March 17, 2011 at 9:48 am Permalink.

In England traditions play a very important part in the life of the people. Englishmen are proud of their traditions and have kept them up for hundreds of years. For instance, on Sundays theatres and shops are closed, people do not get letters and newspapers. Very few trams and buses run in the streets of London on Sundays. Uniforms are not particularly characteristic of this fact. However, when one sees the warders at the Tower of London with their funny flat hats, their trousers bound at the knee, and the royal monogram on their breast, one feels carried back to the age of Queen Elisabeth I. English people tend to be rather conservative. The conservative attitude consists of an acceptance of things which are familiar. All the same, several symbols of conservatism are being abandoned. English mythology is the collection of myths that have emerged throughout the history of England, sometimes being elaborated upon by successive generations, and at other times being rejected and replaced by other explanatory narratives. These narratives consist of folk traditions developed in England after the Norman Conquest, integrated with traditions from Anglo-Saxon mythology, Christian mythology, and Celtic mythology. Elements of the Matter of Britain and Welsh mythology which relate directly to
