English is Broken Here: Notes on Cultural Fusion in the Americas. Coco Fusco. Three Reasons the PQ Lost, and Couillard's
Biggest Challenge. Whereas in the past monumental architecture often had a strong public component, the urban ziggurats of today
are emblems and conduits of capitalist globalization. In The Icon Project, Leslie Sklair focuses on ways in which capitalist globalization is
produced and represented all over the world, especially in globalizing cities. Sklair traces how the iconic buildings of our era —
elaborate shopping malls, spectacular museums, and vast urban megaprojects — constitute the triumphal "Icon Project" of
contemporary global capitalism, promoting increasing inequality and hyperconsumerism. English Is Broken Here: Notes on Cultural

It follows in the tradition of *This Bridge Called Our Back*, mixing forms in order to appreciate multiple perspectives, the complexity of intersectionality, and the general concept of difference. Formally, it's quite interesting, much more so than your standard academic monograph. I will admit that I found the more theoretical (7/10) *English is Broken Here* is kind of a curious melange of forms centering around the experience of race in America, chiefly Fusco's own experience as a Cuban-American. *English is Broken Here: Notes on Cultural Fusion in the Americas*.
