The Abingdon Old and New Testament Commentaries provides compact, critical commentaries on the writings of the Old and New Testament. These commentaries are written with special attention to the needs and interests of theological students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other religious leaders. In addition to providing basic information about the biblical texts and insights into their meanings, these commentaries are intended to exemplify the tasks and procedures of careful, critical biblical exegesis.

The Abingdon Bible commentary is something that I cannot imagine living without. I am so grateful that the atheists running my college library decided to sell it for \$2. The book gives an excellent non-denominational, and stirctly scholarly comment on the whole bible. It provides alternative meanings or poorly translated words, background on culture and politics, and clarity for confusing rites. For instance, it explains that when Christ asks a devil what his name is, it responds "Legion for we The Abingdon Bible commentary is something that I cannot imagine living without. I am so gratef The Bible has profoundly influenced the western world. Many of its characters and stories are well known and yet, oddly enough, wide swaths of the Bible are unknown and misunderstood. The laws and teaching contained within it have shaped contemporary thinking and jurisprudence in ways many do not realize. Equally important, two of the worldâ€™s largest religionsâ€”Judaism and Christianityâ€”consider the Hebrew Bible to be sacred and to contain enduring truths about beginnings and creation, life and death, the world, and what it means to be human.Â Books related to The Abingdon Introduction to the Bible.
