On July 20, we had the largest server crash in the last 2 years. Mostly the data of the books and covers were damaged so many books are not available for download now. Also, some services may be unstable (for example, Online reader, File Conversion). Full recovery of all data can take up to 2 weeks! So we came to the decision at this time to double the download limits for all users until the problem is completely resolved. Thanks for your understanding! Progress: 80.3% restored. Main Admiral of the Ocean Sea; A Life of Christopher Columbus. No image available. Admiral of the Ocean Sea; A Life of Columbus is intensely religious, loyal, at times a bore, a peerless admiral and navigator, a so-so and at times poor administrator, courageous, brilliant and at times extremely hardheaded. He made mistakes, took slaves, died under appreciated, yet still completed four of the most important voyages in the history of mankind. If any of you would like to see the life of Columbus as it must have been will really like this book. I found that it is a book about his life and world, not just a biography. You start to get a feel for how different his world was and how much of history is made up by people because of our failure to see him as a navigator of life in "that" environment, not ours.
