choosing a nursing home

Choosing a nursing home takes time, patience, and research. Find out more about how to choose a nursing home. From Caring.com.Â If someone is going to a nursing home after a hospitalization, the hospital will have a social worker known as a discharge planner who can help you find a home. But there's no substitute for doing your own legwork. One quick way to compare nursing homes in your area is by using Caring.com's local eldercare directory, which includes contact information, capacity, whether a facility is nonprofit, and displays Medicare's five-star rating. Medicare ratings include an overall quality and safety score along with individual ratings of a community's health inspections, staff, and q A nursing home, also known as a skilled nursing facility, provides a wide range of health and personal care services. These services typically include nursing care, 24-hour supervision, three meals a day, and assistance with everyday activities. Rehabilitation services, such as physical, occupational, and speech therapy, are also available. Some people stay at a nursing home for a short time after being in the hospital. After they recover, they go home. However, most nursing home residents live there permanently because they have ongoing physical or mental conditions that require constant care Visit several nursing homes with your family. Most nursing homes have an admissions coordinator who is able to answer your questions and show you the facility. Discuss what you like and dislike about each facility. It may be helpful to keep written notes about each facility. Don't hesitate to ask for written material from each facility you visit. You may want to visit each facility more than once. Is the nursing home conveniently located to your family? You may want to choose a nursing home that your family members can visit frequently. Note the appearance of the nursing home. Is it clean
