Professor Morgan's most recent work is *Place Matters: Gendered Geography in Victorian Women's Travel Books about Southeast Asia*. Author of many articles and books, she is currently writing a biography of Anna Leonowens. when I think about Jane Austen's *Emma*, and about what so affects me in this novel besides the sheer mental exuberance of its main character, I come to the plot. Jane Austen tells a great story. One reason I know that Austen was particularly fond of *Emma*, apart from her own explicit statement that "Emma is a character whom no one but myself will much like," is that she made *Emma* *Place Matters* book. Read reviews from world's largest community for readers. Morgan has written an important and original work that presents a well-subst...
