This book provides lean and efficient coverage of topics such as diversity in organizations, ethics, and globalization, In addition to facilitating active learning, *Organizational Behavior: Key Concepts, Skills & Best Practices* meets the needs of those instructors looking for a brief, paperback text for their OB course, who do not want to

In addition to facilitating active learning, *Organizational Behavior: Key Concepts, Skills & Best Practices* meets the needs of those instructors looking for a brief, paperback text for their OB course, who do not want to sacrifice content or pedagogy. This book provides lean and efficient coverage of topics such as diversity in organizations, ethics, and globalization. In addition to facilitating active learning, *Organizational Behavior: Key Concepts, Skills & Best Practices* meets the needs of those instructors looking for a brief, paperback text for their OB course, who do not want to sacrifice content or pedagogy. Adding to Your OB Toolbox. Isn't OB Just Common Sense? Well, we know that organizations that value their employees are more profitable than those that do not. [7] Research shows that successful organizations have a number of things in common, such as providing employment security, engaging in selective hiring, utilizing self-managed teams, being decentralized, paying well, training employees, reducing status differences, and sharing information. [8] For example, every Whole Foods. A key step in building your OB skills and filling your toolbox is to learn the language of OB. Once you understand a concept, you are better able to recognize it.

This organization proudly claims to possess the happiest and most empowered employees within the retail industry today. It is renowned for the exemplary customer service that is provided by each employee, no matter whether they are working in full or part-time positions. The various theories of management, which have evolved over the years, have decidedly impacted upon the organization's employees and how they are motivated to optimum performance levels.

2. Discuss the concept of job enrichment. How does The Container Store utilize this concept? Explain how this has proven advantageous to this organization.

3. The employees of the Container Store state they love their jobs. Each worker is proud of his or her job performance and contributions to the organization.
