Random House is a huge conglomerate that publishes many kinds of books each year. In order for them to publish your book, you have to get it to them; here's how. Understand the realities. It's not the easiest thing to understand, but publishing is an extremely competitive field, especially in this digital world. Luckily, the desire to tell stories and publish books is not one that goes away easily. Get an agent for your literary works. Preferably, one who has worked with Random House before. Generally, editors at Random House and other publishers don't want to read manuscripts they haven't requested. Editors generally trust agents, so they will listen if an agent tells them to read your great book. HowStuffWorks explains thousands of topics, ranging from the flu to black holes to conspiracy theories, with video and illustrations so you can learn how everything works. 10 of History's Happiest Accidents. Accidents happen, they say, but some actually make the world a better place. Where would we be without the accidental discoveries of beer, penicillin or Popsicles? by Dave Roos. [Learn More.](#)
