Peter Doig (DOYG; born 17 April 1959) is a Scottish painter. One of the most renowned living figurative painters, he has settled in Trinidad since 2002. In 2007, his painting *White Canoe* sold at Sotheby's for \$11.3 million, then an auction record for a living European artist. In February 2013, his painting, *The Architect's Home in the Ravine*, sold for \$12 million at a London auction. Peter Doig's enigmatic paintings are characterized by their captivating combination of figurative depiction and dreamlike quality. Doig draws on personal memories from his childhood in Canada, as well as imagery sourced from photographs and films, to craft images that exist in fantastical, timeless spaces that feel both personal and universal.
