In this cultural context, the fact that its workings were mysterious became an asset rather than a liability. Hyperbolic praise of the imagination became commonplace in Romantic writings, and certain Romantic aphorisms on the subject became (and remain) intellectual commonplaces. Although some Romantic authors, most notably Samuel Taylor Coleridge, did attempt to develop a new philosophy of imagination adequate to its new high status, in fact they relied heavily on Kant and post-Kantian German idealism (and Plotinus, who himself relied heavily on Aristotle), and the results, although suggestiv...Â Kearney, R. (1988). *The Wake of Imagination: Ideas of Creativity in Western Culture*. The Wake Of Imagination book. Read 4 reviews from the world's largest community for readers. If postmodernism glorifies the artificiality of the image, w...Â This book provides a great overview of the three different eras of Western philosophies regarding imagination.
