Illustrations and images: Printed books are great when it comes to displaying images and illustrations. whereas ebook readers are not so good at this. Along with this, ebook readers support the black and white display, not colored. So the genres of photography, cooking etc are more successful as print books. Along with that, there are thousands of free ebooks available on the internet for download. This is considered a very important factor while talking about ebooks vs printed books. Ebooks or printed books or a combination of both? Share your views with us in the comments section below, please leave feedback and share if you like this post. You can contact us if you have any questions or requests. Filed Under: Reading Tagged With: amazon kindle, ebooks vs printed books, kindle, reading. eBooks offer many benefits over traditional print books. Here are 10 reasons why they can be better than print. If you require large-print books, you can adjust any eBook to be readable to you, but with print, you are limited to titles that are available in large print editions. You can also usually customize the font used in eBooks if you don't care for the default style. 7. eBooks Give You Better Access to Indie Titles. There are many independent, self-published authors who only have their work available in digital formats. Many of these titles include novellas and short stories that would be too short to publish on their own in print, but which are perfectly suited to reading digitally. Owning an eRe
