### Pop's Bridge

*Bunting, Eve* Robert and his friend Charlie Shu spend many an afternoon at Fort Point watching from afar as their dads work on the crews building the Golden Gate Bridge. Robert's father is a high-iron man, a skywalker, and, in his son's eyes, has a far more important and dangerous job than the painting Charlie's dad does. When a scaffold falls and 10 men die, however, he realizes that the work is equally dangerous for all involved. The text is followed by an author's note recounting the Golden Gate's history. Payne's striking mixed-media illustrations bleed off the pages and offer interesting views of the impossible bridge.

Reciprocal teaching strategies have been shown to increase student reading comprehension and improve overall literacy. Reciprocal teaching not only helps with learning, but it also gets kids excited to participate in a lesson. While this sounds amazing, what exactly is this strategy and how do you introduce it to your classroom? We'll not only show you how reciprocal teaching works, but also how to incorporate it into your lessons.

Reciprocal teaching refers to an instructional activity in which students become the teacher in small group reading sessions. Teachers model, then help students learn to guide group discussions using four strategies: summarizing, question generating, clarifying, and predicting.
