Timothy is making great progress and we are happy to continue. We will have Tim do his Navy test in a few weeks and if we need to do a bridging course we will ask Sheetal to tutor him with that as well. Want to improve your study skills or get help with a particular subject? That's why we're here. At the Learning Assistance Center (LAC), we provide academic support services to all credit students enrolled at Howard Community College who wish to become more successful, efficient, and independent learners. Scheduled tutoring is available in most credit courses offered at the college for one hour each week in each course. Our tutors are both professional and peer tutors, many of whom have been certified by the College Reading and Learning Association.
