B. T. Sue Atkins, Michael Rundell. This is a down-to-earth, 'how to do it' textbook on the making of dictionaries. Written by professional lexicographers with over seventy years' experience between them, the book presents a step-by-step course for the training of lexicographers in all settings, including publishing houses, colleges, and universities world-wide, and for the teaching of lexicography as an academic discipline. It takes readers through the processes of designing, collecting, and annotating a corpus of texts; shows how to analyse the data in order to extract the rele
