Presentation on theme: "Professionalism in Early Childhood Education" Presentation transcript: 1 Professionalism in Early Childhood Education. 2 Today's Agenda Understanding what makes an early childhood education program developmentally appropriate What must early childhood educators know? 14 Some Best Practices in Teaching Young Children Importance of sensory engagement Firsthand experiences are best Firsthand experiences should precede representational or more abstract experiences Models are more concrete than pictures; pictures are more concrete than words Plan activities so that sensory engagement occurs early in the process rather than later. 15 Philosophies of Early Childhood Education. Early Childhood Education in English for Speakers of Other Languages. Edited by Victoria A Murphy and Maria Evangelou. Early Childhood Education in English for Speakers of Other Languages. We support an additive bilingual education that supports the home language as well as the wider development of creative and wise global citizens who will look after our planet far into the future. We hope that this volume will inspire practitioners and policy-makers, and form a part of the classes and reading lists for initial and in-service early childhood teacher education courses. Our thanks go to the editors for their expertise and efforts in putting this innovative collection together, as well as to the many contributors for sharing their experience and wisdom with us.
