He is best known for his "March to the Sea" through the U.S. state of Georgia that destroyed a large amount of Confederate infrastructure. He is widely regarded by historians as an early advocate William Tecumseh Sherman was a peculiar person with a peculiar name. Perhaps, therefore, he deserves a peculiar biography with a peculiar title. If so, he has secured one in this biography by Stanley Hirshson, a history professor at Queens College in New York and author of biographies of Brigham Young and Grenville Dodge. Conveniently, most of the most peculiar peculiarities in this book can be found in the preface.Â These rejections lead to a natural comparison with his own The White Tecumseh.
