Grow Rich Slowly: The Merrill Lynch Guide to Retirement Planning, by Don Underwood and Paul Brown (Viking Press, 800-526-0275, 1993, \$27.50). The authors tell readers how investment experts handle real-life problems such as, How do I save for my retirement while surviving the expense of sending my kids to college? How do I handle my investment in company stock? What are the advantages of different kinds of retirement investments? (It's smart to learn about that last issue from someone who is not directly involved in trying to sell you investments for a fee.) Personal Budget Planner: A Gui... The Vanguard retirement planning guide spends some time talking about home equity and how it relates to wealth. This is a fascinating subject, something GRS readers often discuss in the comments, and something that comes up all of the time at various early retirement events I attend. Most retirees hold a high percentage of their wealth in home equity. "Grow Rich Slowly: The Merrill Lynch Guide To Retirement Planning" (1993)By Don Underwood and Paul BrownIn this book, Underwood, a former Merrill executive, and Brown, a former editor at Forbes Magazine, outline and review a range of issues from dollar cost averaging to using margin to leverage investments. The pair also discusses how a number of investment vehicles including stocks, bonds and mutual funds can be used to enhance an investor's retirement portfolio. Ultimately, the book teaches readers to not count on social security, and to plan for their own retirement. (To lear

Merrill Lynch's™ integrated approach to retirement, benefit and compensation programs means our Web site, service representatives and participant communications all work together to give you, and your employees, complete and concise information about every plan we serve — defined contribution, defined benefit, equity or deferred compensation. The "make it easy or make it automatic" philosophy also guides our service model for defined benefit plans, equity plans, executive plans, rollovers and more. The Merrill Lynch Retirement Income Service® is a comprehensive retirement income management solution that helps individuals plan for, generate, and manage the income needed to realize their retirement vision.
