The Healing Journey is the Hero's Journey. Joseph Campbell, the most well-known mythologist, presented us with the idea of The Hero's Journey. He studied the ancient mythology from all cultures and found profound, cross-cultural parallels between the hero of those myths. The Hero, he realized, was an archetype so integral to the human psyche and the human experience that it arose in each culture. Here's how the Healing Journey goes. 1. the ordinary life. We find ourselves in the world we've always expected. Verified Purchase. The Healing Journey gives the reader a look into early psychedelic psychotherapy using XTC type molecules. The book was done when these (eg. MDA, MMDA) substances were as legal as sea salt. Shaman's Heart II: The Healing Journey (2011) is the collaborative album by ambient musicians Byron Metcalf with Steve Roach, as guest. This is the second of Byron Metcalf's The Shaman's Heart series album, focused around a continuous "heartbeat" pace. Unlike the first volume, this disc contain ten seamless untitled tracks. The track numbers on the physical CD described as "way points" and not as individual tracks as on a typical CD. Produced, recorded, mixed & mastered at The Lair, Prescott, Arizona
