For feminists who crusade for nonsexist language, "Men and women become persons, mothering and fathering become parenting, couples expecting a baby are encouraged to mouth such nonsense as 'we are pregnant'" (p. 15). In the same way, radical feminists seek to eliminate "patriarchal" language and Father/Son images of God.Â There's a show on Broadway referring consistently to God as a black woman, and no one fainted. Any woman who is a priest and associated with this book should be ashamed of herself. But she probably agreed with "mankind" because it was politically astute of her in dealing with her bishops, all of whom were men and who do not want to rock any boat. This book is good to read only to understand the vacuousness of the arguments proposed.

Women and Worship: A Guide to Non-Sexist Hymns, Prayers, and Liturgies. Article. Sep 1978. Distinguishes between the growth of feminism, the movement for women's emancipation, and women's participation in the wider national and revolutionary struggles that took place. Many Third World women from the emerging national bourgeoisie did join the struggles for national liberation. Some stressed emancipation issues, equal rights, and legal reforms to end discrimination against women within the existing social structures. Other women raised more basic feminist issues concerning Muslim and Asian women's subordination in the family and the structures of society generally.
