Water Cures,Drugs Kill is the name of the ground breaking book by Dr. F. Batmanghelidj an MD and gastroenterologist who stumbled across the greatest medical secret since the Egyptian medical papyri, most of which were destroyed by the Romans. They were said to contain all of the medical knowledge available to mankind up until the Egyptian period. Dr Batman, as he quickly became known to Americans, discovered that virtually all diseases were in fact various expressions of unintentional dehydration in the afflicted parts of the body and not diseases at all!Â You can also listen to or read the testimonials of people, including mine, of those who were cured of their "incurable" diseases, such as asthma, acid reflux, diabetes and cancer with water\* and The Water Protocol.
